A Special Event Application is required when an event and/or activity falls beyond the normal scope of the Department of Recreation Services' operations. Any organized activity involving the use of open fields, multiple facilities, and roadways, which include or necessitate the deployment of additional Borough staff; emergency services personnel or volunteers for the safe and orderly movement of people; the proper use of Borough resources and other public infrastructure; the conduct of activities involving a higher potential of risk and liability shall require a Special Event Application.

Examples of such activities include, but are not limited to, block parties, parades, festivals, races, carnivals, exhibitions, or other public or private gatherings of a short duration, which are proposed to take place on Conshohocken Borough-owned property, parks, private property and/or the public right(s) of way. To apply for a special event, please read the below information carefully and complete the Special Event Application. For questions, please contact the Borough of Conshohocken at 610-828-1092 for assistance.
