**RE: Contractor Responsibility Determination and Letter of Recommendation  
Harry Street Rehabilitation  
Borough of Conshohocken  
RVE File #PMCOT294**

Dear Stephanie:

**Remington & Vernick Engineers (RVE)** has reviewed the bids and required Responsible Contractor Ordinance documentation received on May 30, 2025 for the above referenced project, and has found no discrepancies in the bid submitted by the apparent low bidder, T. Schiefer Contractors, Inc. (hereafter referred to as "Contractor"). A total of six (6) bids were received for this project ranging from \$446,258.00 to \$569,848.00.

The Contractor submitted their bid for the Base Bid work in the amount of \$446,258.00. A copy of the bid tabulation has been enclosed for your reference.

RVE conducted a contractor responsibility review on behalf of the Borough and has deemed the contractor, and all listed subcontractors, to be responsible in accordance with the Borough's Responsible Contractor Ordinance.

RVE therefore recommends award of the Base Bid in the total amount of \$446,258.00, contingent upon funds being available and upon receiving authorization to award from all funding agencies.

Should you have any questions, please feel free to contact our office at (610) 940-1050.

Sincerely,

**REMINGTON & VERNICK ENGINEERS**

## SUBCONTRACTOR DECLARATION

Title of Project: Harry Street Rehabilitation

Local Contracting Agency: Borough of Conshohocken

- A. Each bidder shall set forth in their bid the names, addresses and license numbers (where required) of each subcontractor for the furnishing of plumbing and gas fitting, and kindred work, and of the steam and hot water heating and ventilating apparatus, steam power plants and kindred work, and electrical work, structural steel and ornamental iron work, if any, for the construction, alteration or repair of public buildings.
- B. A general contractor that intends to utilize a specific subcontractor to perform work in one or more of the specialty trade categories shall provide the required information with regard to that subcontractor in the appropriate space for each specialty trade category applicable to the contract.
- C. There shall be submitted proof that each subcontractor is qualified in accordance with the rules and regulations of the state in which the project is located, when such rules and regulations exist.
- D. A general contractor that intends to perform work in one or more specialty trade categories either through the use of its own employees or the general contractor themselves, rather than through the utilization of a subcontractor, shall write the word "IN-HOUSE" next to each applicable category and then insert the name and license number (where required), of each such employee of the general contractor or the general contractor themselves in the appropriate spaces provided for each specialty trade category applicable to the contract. If the contract does not involve any of the specialty trade categories below, insert the word "NONE" in the appropriate spaces provided. (Attach additional pages if necessary)

1. Plumbing.
